Frederic, Grayling School Elections On July 8th

The qualified electors of both the Grayling and Frederic schools will vote on the polls on Monday, July 8th, to elect two school board members and Grayling will also vote on the spreading of an extra three mills taxation for the purpose of operation and maintenance.

Frederic will select two school board members from a field of four incumbents and Elmer A. Conner, who is running as an independent. The three incumbents will be Kenneth Newberry and Morris J. Ström.

Grayling will elect two trustees to the board. A field of three is running for the two posts in the Grayling election. They include the two incumbents, G. Jerome Kasper and Eugene V. Pappeas. The third candidate is Mrs. Eva L. Ström.

Grayling district qualified electors will have two other ballots. They are concerned with the extra millage question. One ballot will be passed allowing the tax rate limitation to be lifted to allow the extra three mills to be spread. The other ballot will give the three mills extra tax to the school from the district.

The wording on that ballot is as follows: "Shall the Crawford County Board of Education be authorized to levy an additional millage of three mills on the taxable property within said district for a period of five years beginning 1957 to 1961, both inclusive for the purpose of operation and maintenance improvements to the school building in said district?"

The extra millage if passed would only amount to an extra one mill as an extra two mills have been spread for the past ten years.

The recent biennial election held the first Monday in June, the term of Frederic was re-elected to another term on the Crawford County Board of Education. The election was held by the school districts of the Primary and Junior High districts of the county.

Midtown Gas Station Hit By Loose Tire

The Midtown Motel and Service Station at the corner of M-72 and US-27, which served as the "target" this Tuesday morning as it was struck by a loose, rolling tire. The tire, which was rolling from a southbound Canadian Express truck, rolled across the driveway of the service station and struck a window in the office. The window was shattered and several articles were crushed. State Police are investigating the cause of the accident. The station owner, Olin Williamson, said the station opened at 10:30 Tuesday morning and the tire ripped loose from the rear drive wheel.

JACK PINE'S STUMP

Grayling ought to be a pretty interesting-looking town come this Thursday, Friday and Saturday. Most of the merchants are going to be participating in the Old-Fashioned Bargain Days, dressed in old-time clothing, displaying old-time merchandise in their windows, and selling now merchandise at some old-time prices. The ladies are going to have a regular ice cream social, while Saturday evening a band concert is planned on the Court House lawn. You won't find any butter selling at ten cents a pound, or a quart of milk for a nickel, or a new car at \$875, but you will find some good price slashing on many a useful and needed item. I know I've looked around in advance and seen what will be on sale. It'll be worth anyone's time to shop these days.

The other day out at the new hospital I fell into conversation with a most interesting fellow named Ben Samuelson. Mr. Samuelson happens to be in a responsible position of Project Engineer on the construction of this million dollar civic monument. However, he has another interest. He raises crickets over in Traversburg. I said, "What a racket farmer!" "No," he replied firmly. "A cricket RANCHER." Crickets, it appears, have a considerable value to fishermen, and raising crickets can be a profitable business indeed. Mr. Samuelson tells me that it takes about ten weeks to raise a cricket from the egg to the point where a fisherman can use him. I questioned him on the value of a cricket to a trout fisherman, and he said that a trout likes crickets, fisher-tive, either wet or dry. But trout fishermen have been rather slow to use them. However, anyone interested in obtaining crickets for trout fishing, Mr. Samuelson says that he doesn't need any publicity or much more business. All he needs now is more crickets, he says. If you have a few million crickets eggs stored away, you have a market for them in Ben Samuelson.

Heard a tale the other day of a farmer who went to the bank to borrow some money. So the bank took a mortgage on his farm and his hundred head of cattle. The bank also took a mortgage on the children's clothing and gave the farmer the \$500 he asked for. The banker explained that they had to have "security" from this citizen who had always paid back his money. The farmer came back with \$1000 in cash, paid off his mortgage and prepared to leave. The banker, all friendly now, stopped him and mentioned that the remaining three hundred bucks was loan money to carry around, and would be much safer in a place like a bank. "What security YOU got?" the farmer asked as he walked out. (This didn't happen locally—it's just a story.)

Every once in a while a new product comes out that I really like. Only this time, the product that has so smitten me is not especially new to others—just to me. It is called the Toro Power Briggs and Stratton engine that can be fitted with a single twist of the wrist, to a variety of different useful attachments such as a power, driven rotary mower, a snow blower, a generator, a tillage pump of some 700 gallon capacity, and a 1000 watt 110 AC generator. I couldn't find one anywhere in this area, so I got it from Power Hands, a new business that has just opened. The supply has expanded to include the rotary mower. So away goes the rest of the junk I have around. One motor to do the whole job, which I can afford, and I feel it might be a useful product up in this country, where so many of us are dependent on it. I have been yacking about who would be interested in this equipment, and am finally pleased to report that the line is being handled locally by Menno Corwin. Buy two; they're small.

Short column this week... but I am in a hurry to get fishing. Caddis are flying tonight.

Nelson Oil Takes Lead In Softball Play

By John Schofield, Jr.

Nelson Oil, undefeated in five games, moved into first place in the Crawford County Softball League as they added wins over Smiggen's, DeCaire's, and Bear Archery. Also undefeated in second place is the Kelsey Agency team of Roscommon. Third place is held by Mac's Drug, with three wins and one loss. Bear Archery, winners in two of their last three starts, are battling it with Millikin Construction for fourth.

Bear Archery notched their first win last Monday as they stung out a 19-8 win over DeCaire's.

Howard Hatfield and Elwyn Doremire had four and three hits, respectively, for Bear. Calvin Schriber had four hits for the losers. Hatfield's hits included a home run.

In the nightcap Nelson Oil scored eleven in both the second and third innings and went on to win by a score of 23-6 over Smiggen's.

The winners outlasted the losers by a 17 to 8 margin.

In the first extra inning game of the season, Mac's got one run in the top of the eighth to nip AuSable Souvenir by a score of 4-3.

Mac's, in winning the contest, was outbitt by 6 to 4 and the only player to get more than one hit was Joe Walters of AuSable with two singles.

Mac's was back in action again on Thursday night, only to be trounced by Millikin 10-2 on a three hitter by Leo Lovely. Lovely's grand slam homer in the fifth inning broke the game wide open.

In the final game of this time at the hands of Bear Archery, winning pitcher Chuck Kurl turned in a seven hitter for Bear, in the 6-5 win. Allan Luckstead had three of Bear's five hits.

In the final game of this time at the hands of Bear Archery, winning pitcher Chuck Kurl turned in a seven hitter for Bear, in the 6-5 win. Allan Luckstead had three of Bear's five hits.

Also on Friday night Smiggen's traveled to Roscommon and lost a 3 ball game in the seventh inning. The game was a pitchers duel all the way between Larry Hulce of Kelsey and Bobby LaMotte of Smiggen's.

In the second game last week Millikin Construction cranked their way to an 11-6 defeat at the hands of Kelsey. Larry Knapp and Larry Hulce had two hits apiece for the winners. Bob Hornung had a home run and Larry Walker a triple for Millikin.

Play got underway this week with AuSable turning back Millikin for their first victory of the season by a 12-7 score. Bob Weaver went four for four at the plate to lead the hit parade for Frederic.

In the second game Nelson Oil had to come up with six runs in the seventh inning to beat a 9-8 win over a stubborn Bear Archery nine. Home runs by Bob Smock and "PeeWee" Laurant in the sixth and Bob Gilder in the seventh inning secured the victory.

All Luckstead with a homer and a double and Elwyn Doremire with two singles and a triple were top for Bear Archery.

Top games on this week's schedule include the challenge of Nelson Oil. On Friday at 9:00 it will be Mac's Drug vs. Nelson and next Tuesday at 7:00 Kelsey vs. Bear Archery. Other interesting games should include Smiggen's vs. AuSable on Thursday, Bear Archery and Mac's on Monday, and Millikin and Smiggen's on Tuesday.

Two Walk Away From CAMP LEHMAN

Two inmates at Camp Lehman, the Corrections - Conservation camp located at Hartwick Pines State Park, walked away from the camp about 9:30 p. m. on Sunday evening. Up to Tuesday of this week, the pair had not yet been apprehended although sheriffs, officers, State Police and camp personnel are conducting a search.

The walk aways were Gordon Geerlachier, 23, of near Grand Rapids, serving a 2 to 15 year sentence for breaking and entering at the night time and Douglas Richards, 30, of Detroit, serving 2 to 14 years for uttering and publishing.

Harold Hempel, 47, of Grayling was given a 70 day jail sentence by Justice of the Peace Arthur Clough after entering a guilty plea to a charge of assault and battery. Hempel was arrested by Grayling Chief of Police Harold Hatfield Jr. last Monday and appeared before Justice Clough on Tuesday.

Sixty days of the sentence were suspended for a year. Hempel was also assessed \$7.85 court costs which if not paid would bring another 10 day jail stay.

Kiwanis Club Notes

A movie on the work planned and already accomplished on the new St. Lawrence Seaway was the program at Monday night's meeting of the Kiwanis Club of Grayling. The program was arranged by Russell Carlson. Robert Bovee operated the movie projector.

Dr. B. Elmore Henig, second vice president of the club, presided at the meeting. In the absence of president Joseph Stripe and first vice president J. Lorne Douglas.

The Grayling Fire Department was called to one of the Floyd Baldwin cabins at Frederic, two blocks west of US-27, Tuesday morning at 10:45. The chimney in the cabin occupied by George Walker had come apart, and though there was a lot of smoke, there was no damage reported by Fire Chief, Middle LaMotte.

Three Day Sale By Merchants Offers Many Outstanding Buys

"This Thursday, Friday and Saturday, June 27, 28 and 29, are Old-Fashioned Bargain Days in Grayling. With 150 merchants, business and professional people cooperating, you will find over three pages of outstanding values offered in your this week's edition of the Crawford County Avalanche. Turn to pages 2, 3, 6 and 9 to find real buys in food items, clothing needs, gift ideas, lumber items, meals at bargains, hardware values, drug bargains, service buys, automotive buys, household needs, appliance values, dairy products, sporting goods bargains, tire offers, jewelry values, cleaning bargains, decorating and floor covering buys, beauty shop bargains, furniture values and many many others. In all 50 merchants have space advertisements of the more than three pages.

You will be sure to find something that you, your family or your home needs. Why not buy it now at real sale prices?

When you shop in Grayling this weekend, you will find most business people in "old fashioned" attire and you will also find that your dollars will take on that "old fashioned" buying power. Your pocketbook will be reminded of the time when grandpa was a gay young blade and a dollar really bought a lot.

Shoppers will find the display windows of the Grayling business places most interesting too. Hundreds of "old" items will be on display. You'll see old-fashioned clothing, old jewelry pieces, old furniture, old guns, old newspapers and magazines in fact, just about anything you can bring to mind will be displayed some where in town.

In connection with Grayling's Old-Fashioned Bargain Days, the Grayling High School Band will present a concert on the Court House lawn on Saturday evening. Another feature will be an old-fashioned ice cream social sponsored by the Grayling Women's Club. The social will run from 1 p. m. Saturday afternoon until 9 p. m. that evening. It will be held in the empty lot between the Grayling Gift Shop and the Avalanche office. The ladies will serve ice cream, cake, pie and coffee.

An invitation is extended to everyone to come and hear our band.

We are happy to say that some graduates are coming to practice, and we hope that more come.

The band meets for practice in the band room on Thursday and Friday nights from 7:30 until 9:30 p. m. Good attendance is requested and we would like to see more of our members coming to practice.

Home Extension Groups Tour Dow Plant
Representatives of all the Crawford County Home Extension groups and two carloads from Kalkaska County, took a tour of the Dow Chemical Co. plants on Wednesday of last week. Miss Jane Venable, County Home Demonstration Agent, organized the tour. Five carloads from Crawford County, driven by Mrs. Leo Love, Mrs. Gene Papendick, Mrs. Sam Colten, Mrs. Jack Bates, and Mrs. Opal Hamblin, left Grayling at 8:30.

A luncheon at the Dow cafeteria was the first item on the program. Then followed a tour of the Saranac plant, which the ladies were taken by bus. Samples of the products were handed out for souvenirs. When the tour was completed, the groups were three miles from their point of beginning. Last on the program was a look at the huge outdoor filtering plants, in which the company purifies the waste from the entire industry. Water, which is piped in from Lake Huron, after being used in the chemical plants, is filtered and returned to the Saginaw river in a pure state then when it arrived. The tour was completed at 4 o'clock when the groups started the return journey home.

Lovells Notes
By Mrs. Clarence Stillwagon
Miss Barbara Johnson has returned to Mt. Pleasant to attend summer school.

INTRODUCTORY OFFER
The phrase "Introductory Offer" is a little time worn. It does explain a busy groceryman's attempt at writing his first column. Being busy is wonderful but I've always wanted to spend more time with my customers. I'd like more time to talk them about the many interesting things happening to foods.

Salesmen fairly burst with information. Listening to them is a sort of hobby... and I get many new ideas. You'll hear about these new ideas, new foods and how to use them if you stop at this spot every week. I'm not going to get complicated or technical. Big words and fancy phrases are not my stock in trade.

Miss Scarlett Griffin returned last weekend after visiting at the Vern Walker home in Petoskey for several days.

Capt. Phil Smith and personnel of the Separate Detachment at Camp Grayling conveyed 16 vehicles to St. Ignace, delivering them to the 107th Engineering Battalion, and returning the same day.

Wharf's Dinner Bell Drive-In will be open starting June 28. Miss Anne Marie Stancil and her brother Arnold left Sunday to spend some time at Interlochen Music Camp near Traverse City.

About 60 friends of Mr. and Mrs. Matt Bldvia, from Ann Arbor, Bay City and Saginaw, came Sunday to make a canoe trip down the AuSable river, returning home the same day.

Roger Kessler left Thursday for Fort Campbell, Ky., for six weeks, active duty in R.O.T.C. Lawrence Canfield, son of Mr. and Mrs. John Canfield, Jr., is home on leave for twenty days to visit his family and friends.

We stock diamonds from \$37.50 to over one carat. Davis Jewelry, Wayne Ingalls is working at Stevenson-Brown for the summer. Mr. and Mrs. William Wolf left Sunday after spending a couple of weeks at their Beaver Creek home.

Clyde Weiss took and passed his pre-induction physical tests for military service while in Detroit from Tuesday until last Thursday. He was accompanied by his brother, Mr. and Mrs. Richard Weiss, who are now in the hospital.

Guests of Mr. and Mrs. Richard DuBois weekend before last were his parents and brother, Mr. and Mrs. R. E. DuBois and Jack, of Birmingham. Richard's sister, Mr. and Mrs. Edward Stone, of Denver, Colo., visited them while staying at the Linville cottages at Michigamme for six days.

They left Tuesday of last week. Mr. and Mrs. Howard Schmidt and son Bobby of Detroit visited his mother, Mrs. H. C. Schmidt for three days recently, on their return from a fishing trip in the Upper Peninsula.

Mrs. M. Copenhaver of Detroit left Sunday after visiting her daughter, Mr. and Mrs. Charles Humphreys, for the past two weeks. Frank Fuhrman of Detroit, an old friend, was a guest weekend before last.

Bridal Prayer Books and religious articles at Margaret's. Mr. and Mrs. George Ryan and daughter Patricia returned last weekend after attending the international convention of the Church of God at Anderson, Ind., for several days. Mr. and Mrs. Albert Ross of Houghton Lake accompanied them also.

Mr. and Mrs. Whitney Madsen have purchased the home on John St. in which they have been living, from Mr. and Mrs. Carlyle Brown.

Recent guests of the James Kolka's were Mr. and Mrs. Kurt Kerten and children of Trenton, Mrs. Kolka's grandmother, Mrs. William Fox of Melvindale accompanied them and visited at the Harry Host home. During the weekend of the Kerten's visit, Dr. and Mrs. Robert Easterly, of Wauwatosa, were also the Kolka's guests.

Jim took the men fishing and all enjoyed a canoe trip on the river. Mr. and Mrs. James McDougall, Jr., were here the past weekend to visit Mr. and Mrs. John Canfield, Jr. and friends also John Canfield, son of the Canfield, Mrs. Lawrence Canfield was here and he left to visit his sister Mrs. Clyde Hatch in Leslie and also stay at his other sister's Ruby McDougall's, in Detroit.

Guests at the Taylor Loper home from Friday until Tuesday were her brother, Mr. and Mrs. Alvin Glann and six children of Portsmouth, Ohio.

Weekend guests of Mrs. Roy Johnston were her son Richard Reava and Joyce McFarland, of Mt. Pleasant. The weekend before Richard, Mr. and Mrs. Roy Reava and baby, and Mr. and Mrs. Del Joslyn and baby were guests.

Mr. and Mrs. Reginald Ashton and son Dale of Saginaw spent the weekend with Sally's parents, Mr. and Mrs. Clarence Gross, bringing home Carole Gross who had been visiting her sister, Miss Suzanne Urbytes came with Carole to spend this week.

Karen and Gail-Fensterstein of Medina, Ohio, are spending the summer with their grandparents, Mr. and Mrs. Clayton Harris.

BEAR LAKE NEWS
First of all this week a message from the Bromwells of Camp Arrowhead. They want to thank all their friends and neighbors for the help they have given them in the past. They are taking one back again when people had time to help their neighbor. No wants a fire but Mr. and Mrs. Bromwell and Fred told me today they are proud to live in a community where people are ready to give a hand in time of trouble, so their message to everyone is "Thank you one and all."

Blood transfusion — an 1874 experiment

This 1874 engraving from the Bettman Archive is an artist's conception of a 19th century blood transfusion. Compare this with the life-saving care you get in a modern Blue Cross participating hospital of today!

...thank goodness
times have changed!

In 1874, a blood transfusion was little more than an experiment... a procedure doctors knew little about and seldom tried.

They didn't know that blood types differ. If a patient received his own blood type, it was by pure chance. Even then, the shock of the crude transfusion was often fatal.

Consider how far we've come in three generations.

Blood transfusions are a routine life-saving function in today's modern hospital... not a last minute gamble. Transfusions play a vital role in bringing about the recovery of countless accident victims... they make delicate new miracle operations possible... and send many a patient home happy and healthy because the right type of blood was on hand for immediate use.

The intricate laboratory equipment... the time and personnel it takes to type, process, and safeguard blood, however, are just a few reasons our hospital bills are higher today than ever before.

But isn't the cost of living worth it?

If you are a member of Michigan Blue Cross (and half the people in Michigan are), you don't have to worry about higher hospital bills. For Michigan Blue Cross — the non-profit hospital plan — pays the full cost of basic hospital services. And Michigan Blue Shield — the non-profit medical plan — helps pay for the finest doctor care in the world today.

I've made
the Big Change,
have you?

You'll feel a big difference when you try
the Big Change—2 all-new Standard Gasolines

Try these great new STANDARD Gasolines... with the Big Change created by Standard Research.

NEW GOLD CROWN Super-Premium... an entirely new grade of gasoline... with the Big Change that power-matches today's modern, finer engines! Thrill to your engine operating at top-level thrust. Banish power loss from wild ping and spark-plug crust. Get smoother, faster response... surging, knock-free performance!

NEW RED CROWN King-Size Regular... with a new high octane that passes up premium grades of just a few years ago. You get king-size knock-free power and king-size mileage, too!

Try the Big Change—you'll be glad you did.

You expect more from STANDARD
and get it!

Our sad-faced friend is Bill McGoo,
Who thought he'd bought a car brand-new;

And while he got a "special deal"

His disappointment he can't conceal!

While others drive in Swept-Wing style.

Poor Bill just mutters curses vile:

"They got new styling, features, too—

"I bought a 'deal'—boo-hoo, boo-hoo!"

Moral: Yesterday's looks and features
are no bargain at any price!

No car is a bargain if it's obsolete in styling and engineering features. And the Swept-Wing Dodge actually obsolesces other cars in its field with its low, low look of tomorrow and revolutionary advances like Torston-Ayre Ride, Push-Button TorqueFlite and Total-Contact Brakes. So don't get "bargain-talked" into yesterday's styling and features. The same money buys the car that's years ahead. See your Dodge dealer. Join the swing to the Swept-Wing Dodge.

This Extra School Millage . . .

According to a news story which was published last week in the Avalanche, the electors of the Grayling School District will be asked to ballot on the spreading of 3 extra mills for operation at the annual school election. This really is the addition of only one extra mill as two extra mills have been spread for the past several years.

The school needs this extra money for operational use and also it will insure full State aid monies. If this proposition is defeated, the school will not only lose the extra money through the tax but the aid from the State of Michigan will also be cut a certain percentage.

This writer no longer has any children in the Grayling schools. The prospects for grandchildren, nieces or nephews attending the schools is very remote. If the extra millage is passed, the writer will find it necessary to pay the added tax not only on a home but on business property here in Grayling.

But we must urge an unqualified "yes" vote on this proposition. We know that the money is needed. We know that no investment will pay off for a community like an investment in the education of its youth. Parents of school children should make it a point to vote and vote "yes" on this proposition. Folks who have no children in school should do likewise. Remember, your neighbor's children. Don't short-change their education.

Grayling has made a state-wide reputation for its warm-heartedness in the polio drives, the war bond drives and other charitable efforts. Can we do less for our community's own children? R. W. S.

A Lesson From The Robins

During a hot day in May two robins were fighting at a bird bath, thus preventing each from bathing. Then something happened. They quit fighting and bathed side-by-side.

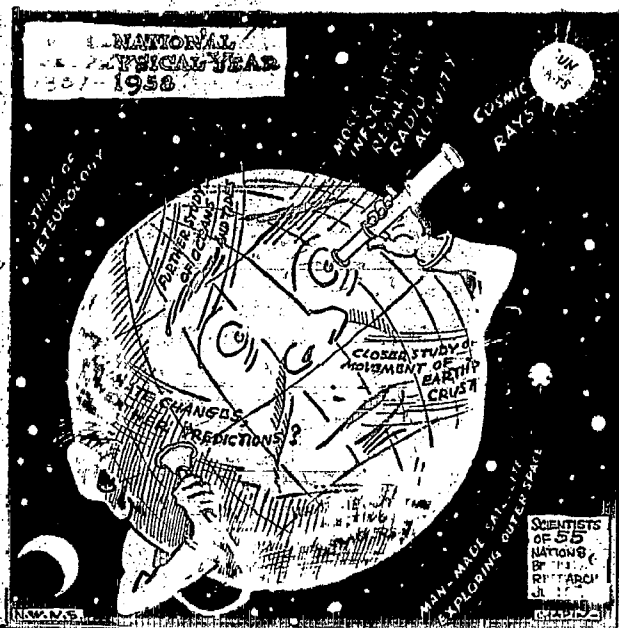

Free men living in a union of friendly states have learned that more is gained by working together, but in many parts of the world men are still fighting.

In two minutes the robins discovered fighting is futile — men take longer to learn.

Control Goes With Money . . .

The plan for having the federal government provide \$2 billion in federal aid to the nation's schools over a four-year period drew this comment from Senator Knowland: "My practical knowledge of Washington leads me to the conclusion that nothing terminates in four years. And I have never seen the Federal Government contribute money without wanting to exercise control."

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCE OF 23 YEARS AGO

June 28, 1934

Alice Brink Hyatt, society reporter for the Bay City Daily Times, recently called our attention to the following item in the files of that paper of 40 years ago: "Grayling on the Mackinac division of the Michigan Central was visited by a disastrous fire this morning at 2 o'clock and telegrams were sent to this city for help. Two fire steamers were placed on cars to be taken there when word came that the fire was under control. Two million feet of lumber belonging to Salling, Hanson and company, valued at \$50,000, and four dwellings were destroyed. The late train from Bay City going north was blasted in passing the fire, the heat was so intense. The origin of the fire is unknown." From the files of the Avalanche of July 5, 1934, the following additional information is given: The dwelling of Louis Rivets, Jos. Montour, P. Rasmussen and Chris Petersen, valued at \$500 each, and lumber from the Salling-Hanson Co. valued at \$40,000. At one time it seemed as though the entire yard, with the larger sawmill and the planing mill must go, but the firemen fought every inch, and a row of piles was removed across the yard, at which point the flames were stayed. An incendiary fire was discovered between three and four o'clock in the woodshed of Mr. Carney. A broom had been saturated with kerosene, ignited into a pile of chips, and but for timely discovery would have destroyed his residence, as all the hose and men were at the lumber yard. There seems to be no due as to the perpetrators.

Blackie's Blackbirds added Roscommon to their string of victories Sunday, June 24, to the tune of a 16-8 baseball game. Walter Hemmington of Detroit visited his father Chris Hemmington and sister Miss Margrethe over the weekend.

Mrs. A. M. Lewis and son, Mark, Mrs. Ella Grandham, Mrs. Ariel Minter and daughter Marion spent a few days last week at the Lewis cottage at Lake Margrethe. All are of Flint.

Jimmy Wingard of Alma is visiting his cousin Junior Trudeau arriving Sunday.

Granger and Kenneth Hoell returned to Alma and . . .

During the electrical storm on Monday night the home of Jess Green in Roscommon was struck by lightning. Outside the tearing the telephone from the wall and a hole in the roof the damage was slight.

John Michelson of Detroit spent the weekend at the Michelson cottage at Lake Margrethe and on his return was accompanied by his mother Mrs. A. E. Michelson who will return later for the summer.

Mrs. Matilda Bishop and son Douglas, of Cleveland, Miss Gertrude Foley and Philip Boucher of Grosse Ile arrived Thursday morning to visit the ladies' mother Mrs. William Foley. Mrs. Bishop and Douglas and Miss Foley will probably remain for the summer.

Andrew Barber won first place in the State Fair Boys School contest and Roy Hartman won second place. Andrew is a son of Ross Barber and a grandson of Mr. and Mrs. Andrew Charley of Beaver Creek with whom he makes his home. Roy is a son of Mr. and Mrs. Fred Hartman of Eldorado.

Word from Congressman Roy O. Woodruff and Michael J. Hart announces that Grayling's water works proposition is up for final passage and "looks favorable." The project is most deserving of passage and we trust that it will be approved and that the new system will become a reality before next winter.

Mr. and Mrs. Gerald Poor left Wednesday for a week's visit with Mrs. Poor's parents, Mr. and Mrs. R. Anderson of Livingston.

Billy Joseph, Billy Kraus, Edward Martin and Robert Herbi-son left Monday to enjoy two weeks at Camp Daggett, Walloon Lake, near Petoskey.

Miss John Doherty, Mrs. Harry Holmes and two sons of West Branch were guests at the Joseph McLeod home Friday, coming to attend the graduation of Billy McLeod.

Miss Eva Johnson, daughter of William Johnson of Frederic, and Roy Papefus of Lovells, were united in marriage Friday evening at the M. E. parsonage, Rev. H. J. Salmon officiating. The couple were attended by Miss Norma Madill of Frederic and Charles Papefus of Eldorado, brother of the groom.

Patsy Hope Harie made a pleasing little hostess to 15 of her friends yesterday when she celebrated her sixth birthday. Tiny baskets of candy in which were hidden favors, place cards, napkins and a birthday cake, all in pink, made a pretty lunch table. John Montour, Jean Marris, Guinivere Trudeau and Sally McClain were winners of contest prizes.

Mr. and Mrs. Emory Cripps of Detroit visited a few days last week with the former's grandparents, Mr. and Mrs. George Clise. They went home Friday and Mr. Clise and granddaughter Bonnie returned to a visit.

Mrs. Clise went as far as Sterling to visit her sister who is quite seriously ill, for a couple of weeks.

A quiet wedding of June 16th was that of Miss Ruth Mack and William Foley, both of Grayling. The marriage ceremony was performed in Grayling by the Rev. Shugg. Mr. and Mrs. Hutchinson at Grayling were the attendants. Mrs. Foley is the daughter of Mrs. Ruth Mack of N. Chestnut St. and is a graduate of Grayling High. Mr. Foley is a son of Mrs. William Foley and is also a graduate of Grayling High. He attended Michigan State College at Lansing and is a member of the Theta Kappa Nu fraternity. He is now in the employ of the State Department of Conservation. Their friends wish them a happy wedded journey through life.

Mrs. A. E. Mason and son Edward of Detroit, spent the weekend at Lake Margrethe. While here Edward purchased a lot at Eagle Point on the lake. Their friends wish them a happy wedded journey through life.

Mrs. B. J. Rose and daughter, Virginia, of Merced, Calif., and Mrs. A. H. Smith and son Frederick, of Battle Creek, are visiting the ladies' father, J. B. Redhead at his home on the Ausable. Mrs. Nedie Dewey and son, Harry, of Saginaw, spent the weekend visiting the former's daughter, Mrs. N. Van Natter and family.

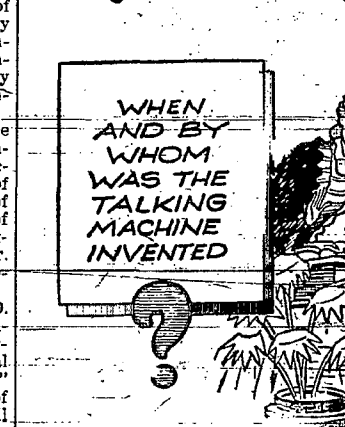

Mr. and Mrs. Howard Bunker and family who have been residing in Wolverine for about three years, have moved back to Grayling and are occupying their home on Elm Street.

Albert Gierke of Toledo has purchased the magnificent property on U.S. 27 of Mrs. Andrew Peterson. This is one of the nicest pieces of property in Grayling, both the building and its surroundings. Mr. Gierke is a brother of Adam and E. H. Gierke of this city and has been a frequent visitor here, and they will be welcome residents.

Bring on the mountains! This new Chevrolet takes steep grades with such an easygoing stride, you hardly even give them a thought. There's new lean-muscle power tucked away under that hood, just rain' to handle any hill you aim it at.

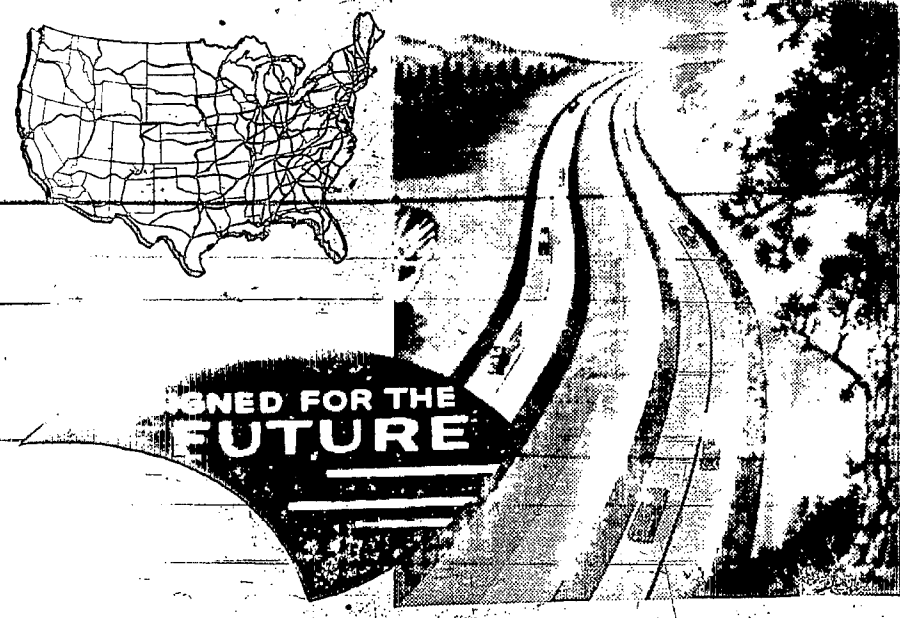

And no matter how curvy the road, a light touch keeps Chevrolet right on course. You'll like the solid, even-keel way it stays put on sharp turns.

A car has to have a special kind of build to handle and ride and run like a Chevy. It has to have Chevrolet's low, wide stance, its outrigger rear springs and well-balanced weight! Drive this sweet, smooth and sassy performer at your Chevrolet dealer's.

Safety WITH CONCRETE

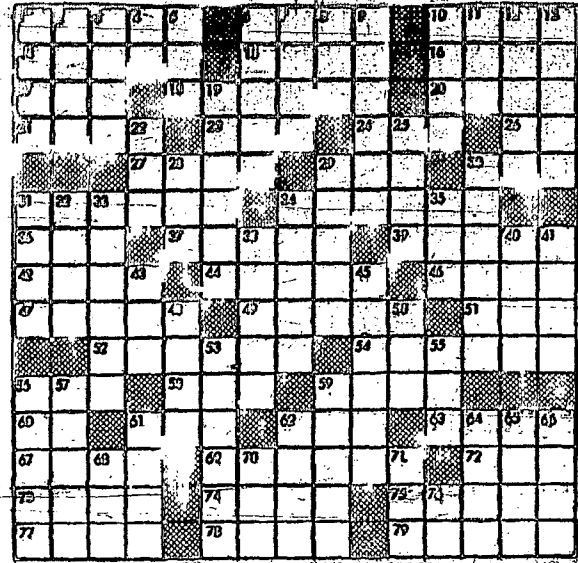

The National System of Interstate and Defense Highways will save an estimated 3,500 lives a year. That's because it's designed for safety. To make the most of this chance for safer highways in this state, these roads should be paved for safety—with concrete.

Rigid concrete doesn't soften—it doesn't ripple and washboard under traffic. Its low crown doesn't interfere with steering. Its gritty-textured surface grips tires for safe, sure stops, even in the rain and its lighter color greatly improves visibility at night. You drive in comfort and confidence over the safest, smoothest-riding surface that highway engineers know how to build—today's new concrete roads.

Concrete highways are first choice for economy, too! Concrete roads last twice as long and cost far less to maintain. This gives motorists the best buy for their tax dollars and releases more funds to improve essential secondary roads.

PENTY-HILMERT WEDDING VOWS SPOKE

SATURDAY, JUNE 15th IN KALAMAZOO
The Second Reformed Church in Kalamazoo, beautifully decorated
with white peonies, palms and candelabras, was the scene of the wed-
ding of Alyce Joanne Hilmer, daughter of Mr. and Mrs. Jack Hilmer,
Corey Lake and Richard Allan Penty, formerly of Grayling, Satur-
day afternoon, June 15th. The bridegroom is the son of Mrs. June
Penty, Copper Harbor and Edwin R. Penty, Grand Rapids.
At 2 o'clock the double ring
ceremony was performed by Dr. C.
P. Dame and the Rev. William J.
Hilmer, uncle of the bride, before
350 guests.
Mrs. Herman Visval, organist,
played the nuptial music as the
brides, James Hilmer, Three Riv-
ers, Robert Laird, James Laird,
Stuart Lassen, Fred Edwards and
William Penty, all of Battle Creek
acted as the bridesmaids. Miss
Linda Penty was the vocalist.

Wedding Ensemble
For her wedding the bride chose
a dress of Chantilly lace over sat-
in made with a long train and
softly draped, cummerbund. The
chapel train was formed by tiers
of cascading, pleated nylon tulle.
Her veil was attached to a tulle
of tulle of the valley. She carried
white roses and lilies-of-the-valley
in an old-fashioned cascade bun-
quet.

Miss Frances Frye, Chicago,
was maid of honor. Her dress was
of yellow flecked organza with
bouffant skirt and beauteous sleeves.
The skirt and neckline was trim-
med with daisy embroidery. She
carried an old-fashioned bouquet
of white daisies and yellow carna-
tions.

The bridesmaids, Miss Helen
Van Lee, Palm Beach, Fla., and
Mrs. Harold Harrington, Jackson
wore yellow gowns made identi-
cally like that of the maid of hon-
or. They also carried old-fashioned
bouquets.

Charles W. Bovay, Lakeland,
Fla., was the best man.

For her daughters wedding Mrs.
Hilmer chose a mauve crepe
gown with ruffled lace detail
with which she wore a rose and
carnation corsage. Mrs. Penty
wore a beige linen sheath with
white inner jacket, and a corsage
of Talisman roses.

A reception was held after the
ceremony at the Kalamazoo Civic
Theatre Lounge.

For traveling on a Northern
Michigan honeymoon the bride
chose a navy and white organza
dress with bouffant skirt, beaute-
sleeves with navy and white ac-
cessories. Upon their return the
couple will make their home in
Saginaw.

The bride was graduated from
Hope College with the class of
1954, where she was a member of
the Delta Phi sorority. The bride-
groom was graduated from Mich-
igan State University and is now
employed with the Wolverine In-

JACK PINE'S
ST
Jack Pine hasn't town enough the to get news-wor about anything. aren't matters that should be commed what should doesn't seem to trouble. First, if ending some friend ing a friend's first as bad. Sec. hard so many pees and justifications unusual things that to doubt his own right and wrong. is to blame for any Grayling. It's always fellow" or "circum that magnificent. miserable failure in Fourth, most of w printed is "not for which means that the story isn't quite sur of what he is say his spread. his making a living in s tions that there is out of financial dis publicly airing pe sixth, and the only son Jack is too tired now to engage in a controversial than a son of the effect of at the town crop just what IS the of JP.
But never fear, am it will somed Jack Pine will again ally while he's or is chopping block. A state that Jack can cied about any day is the one known Jack Pine. He's ing battles at Dad I will comment, tr editorial in last w side" (a crude nar time apply to this while brilliantly fo the vote-for-incree school taxes. I agree simple reason. RW through school mine yet. But when mine school I want the best education p by the best teachers with a curriculum for them to make son and preparation for that takes money. If is NOT voted. Gray won't even stay the s. There will have duction in services maybe in education athletics maybe in there will be a red that you can be sure gress IS voted. th only be more local able, but more State able, too. It's a "sur troyer a non-gambling tabe. I'm thing. It to be a little bit stw things, but when w ing kids on educ are other words to u JP.
I saw Walt Shaw th Will used to live he the river. build hee and all the other thing of the men who liv river do. But he went away. I saw him ago enough to be a Stw. Now he's got to be on coming back to liv again along the river. I have memory. The thing he recalled to occasion when he and Deau accompanied my as I on a camping tr had a bunch of. Somewhere, one got to cooking fire, blow tabs all over the ca thoroughly into the f says he made us eat ur tabs and all. W parently did. willings was a long, long it was twenty odd yea must have been able occasion. Tony T is coming back agat the one will be glad in the work. JP.
I ever happens summer? e Jack Pine?
JP.
I think so of the now he's staying. some of the. he strag Houghton (over near you suggest. A good food, deval price were and -of-abi top of the time. I travel ed isn't was a go. he one. I like to vate friends. Which is a character. This isn't a Adam. I don't know private me usually. I'm and then spee of the bus drinki meeting cigarettes an the paper. All condit JACK.
